Wear it Green day

Thank you to everyone who supported our Wear it Green day in support of Mental Health Awareness Week. It was lovely to turn the school green for the day to support the cause!

Read to the Beat

Summer is coming, so we would like to tell you more about this year's Summer Reading Challenge and how you can help us reach more children and encourage them to get involved.

This year's Challenge is called Read to the Beat - the Theme inspires children to explore the connection between stories and songs, discovering how reading and music both ignite imagination and creativity. Children can sign up to the challenge from the 4th July 2026 at their local hub/library and will have until the 12th September to complete their challenge. When they register, they will be given a collector's sticker booklet to record their reading and will earn prizes as they progress. Every child who completes the challenge will also be presented with a certificate and medal.
