#### Water bottles

As a Healthy School, we really appreciate  
your support in providing healthy drinks  
and snacks for the children. Could we  
please ask that the water bottles sent  
to school are made of plastic, or other  
material and not metal or glass. Whilst  
we understand that the metal or glass  
bottles may be more durable, they are also quite heavy  
and can cause a safety issue if dropped. Thank you as  
always for your continued support.

### Healthy Schools Stakeholder survey

The Welsh Government is reviewing  
school food regulations to ensure that  
children get the best nutrition. Have  
your say and help shape the future of  
healthy school meals in Wales. They

want to hear from you to help improve the nutrition  
for children in Wales. By participating in the Welsh  
Government Healthy Eating Consultation, you can  
help create healthy, balanced meals that support  
children's growth and learning. You can find out more
