No. 188

Safe snack

We appreciate your support in providing healthy snacks for you child. Please could all parents ensure that fruit is cut appropriately to avoid being a choking hazard. If you are sending grapes, berries or cherry tomatoes, could you please ensure that these are cut into quarters, to ensure that they are a safe size and shape to eat. Also, a reminder that we are a nut free school due to people with allergies being on site. Thank you for your continued support.

Teulu Cymru

Teulu Cymru brings together Welsh Government information for families in Wales in one place. From parenting tips and expert development advice, to help with childcare costs. Teulu Cymru makes it a little easier for parents to find this support in one place via our social media channels and landing page. For practical and financial support visit: www.gov.wales/teulu-cymru and follow Teulu Cymru on [Facebook](#) and [Instagram](#)

Intimate Care

Please could we remind parents to send toileting products to school for their children, if needed. Pupils who require full support with their toileting needs will require nappies, wet wipes and nappy bags on a daily basis, so please can we ask that these products are sent to school regularly. Thank you for your continued support.

Gair yr Wythnos – week beginning 9th June
