Cardiff and Vale Public Health Team New family guide to help keep children healthy

A new guide has been developed to help parents and carers feel more confident when their child is unwell.

'A Family Guide to Keeping Your Child Healthy and Common Childhood Illnesses' is a free booklet that offers clear, straightforward advice on everything from coughs, colds, fevers and rashes to safe sleeping, challenging behaviour and mental health.

It helps parents and carers understand what might be wrong, what they can do at home and when to get further help - whether that's from a community pharmacy, GP, NHS 111 Wales or the Emergency Unit.

You can access it via our website at <https://meadowbanksp.ovw9.juniperwebsites.co.uk/page/?title=Family+health+guides&pid=94>

It is available in several languages – English, Welsh, Farsi, Arabic and Tigrinya.

Consent forms

Last week all parents received consent forms that need to be signed and returned to school. It is important that we receive these forms so that we have up to date

information for your child for the next academic year. Please could you return them as soon as possible if you have not done so already. Thank you for your continued support.

Sports Day

Thank you to all the parents who attended our Sports Day offer this year. I'm sure that you will all agree it was a wonderful event and the children were amazing!

Parent survey

Alongside your child's annual report, you received a survey. We really value your feedback on the school as it helps us to continuously improve and provide the best offer we possibly can. If you have not returned this already, could we please ask that you return it as soon as possible. Thank you.
